December 2011

I MAY NOT BE A "WISE MAN," BUT AT LEAST I NEVER GOT SO LOST I HAD TO ASK HEROD FOR DIRECTIONS.

Thanksgiving 2011 is now over. It seems unbelievable. Time goes so very fast and it seems to me that it is going even faster every passing day. But there is one thing that stays the same. That time between Thanksgiving and Christmas that we refer to as Advent.

The word "Advent" means the time of expectant coming and preparation. So what is it we prepare? We prepare our homes with the appropriate decorations. We put up trees, and wreaths, lights, candles, manger scenes with angels and wise men, sheep and camels, with ribbons. We prepare our churches with trees, garland, advent wreaths, and pretty much the same sort of things we put in our homes. We begin singing advent songs and slip in a Christmas song or two.

My question is, however, not just how we prepare our homes but how do we prepare our hearts for the second coming of Christ? Or do we even think about Christmas in that way? Are we so caught up in preparing to celebrate the birth that we forget that the baby grew up to be the man? How often do we think about being prepared when Christ returns for us?

Will we be ready? Now we have all sinned and fallen short of the glory of God. That is a given because we are human beings with the freedom to choose how we live our lives. Sometimes we don't make good choices. But even when we make those bad choices we have forgiveness just waiting for us. Do we really think about that at this time of the year or at any time of the year? What if Jesus were to return today, right now, would we be ready?

Now you are probably thinking it is strange to be pondering this at the beginning of Advent. But remember that it is about preparing for the coming of Christ.

So as you are preparing your homes for the celebration of the coming of the Christ Child. Try preparing your souls and your hearts for the coming of Christ the Son of God.

Merry Christmas to one and all, and remember that God loves you and so do we.

UMW Meeting Saturday, November 12, 2011

Our meeting on this brisk Saturday morning was opened with prayer and a most delicious spread prepared by Mary Ann and Shirley P. We then read the UMW purpose and proceeded into the meeting with a short history of the first Thanksgiving. Afterwards, Mary Ann gave the treasurer's report noting in meeting our budget obligations that we have \$303.02 left in the treasury. Some of our latest expenses have been in helping the Trustees purchase kitchen mats, coffee, and solar cookers. We have begun to collect for the Holiday Assistance program with \$600 coming from our rummage sales and will do so until the end of November. We have received many "thank you" cards and they are displayed on the bulletin board. Patti and Sue addressed the reading program and there is material on the bulletin board regarding the reading program so check it out, if interested. Sue can answer any questions. This program is open to all ladies of our church. Mary Ann and Patti will be working on the 2012 UMW budget to present at the January 2012 meeting. Mary Ann and Judy are working on the UMW cards for future use. We have decided to seriously consider becoming a five star unit next year. We used to do it every year and we know we can again with some effort. Judy has agreed to co-chair the meetings beginning in January but we need one more lady to step up to the plate and be the other co-chair. Come on ladies....is it your turn?? A list of duties to be facilitated by the co-chairs was passed out and discussed. Copies can be obtained from Patti. Judy purchased material and will make the valances to grace the windows in the nursery. Future projects are purchasing new dishes, cleaning the kitchen, painting Wesley Hall, No Bake Sale, Women's Sunday, and Prayer and Self Denial.

NO MEETING OF THE UMW IN DEC. Next meeting is Saturday, January 14, 2012 at 10 am. Hostesses are Judy and Patti.

More than 1.1 million children, pregnant mothers and working fathers are alive today because of gains in preventing and treating malaria. Since 2000 the malaria death rate has been reduced by 20 percent. United Methodists have played a role in that fight, and the church's work drew praise from philanthropist Melinda Gates Oct. 18 during the Malaria Forum sponsored by the Bill & Melinda Gates Foundation.

Return Service Requested

A Child's Perspective

The first graders at an Episcopal Sunday school in San Diego were told to draw on paper their conceptions of the "flight into Egypt" by Mary, Joseph, and the baby Jesus. One little girl turned in a picture of an airplane with three people in the back, all with halos, and a fourth up front without one. Perplexed about the picture, the teacher asked the little girl to explain.

"Oh," replied the youngster, "that's Mary, Joseph, and the baby Jesus in the back."

The teacher went on, "And what about the fourth person?"

"That," said the little girl with emphasis, "is Pontius, the pilot!"
